Walk-through & Warm-up

Handlers in all classes will be permitted to walk the course without a dog prior to the start of the class. At the discretion of the judge, if the size of the entry for any class might inhibit a safe and fair walk-through by handlers, height divisions may be used to divide the walk-through into groups, e.g. walk-through for the 8", 12" and 16" division handlers followed by runs for those height divisions; then walk-through and subsequent runs for the 20", and 24" divisions. A warm-up area, consisting of a regulation agility jump, will be provided.

OBSTACLES & RING CONDITIONS

Course WALK-THROUGHS AND Warm-Up INFORMATION Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Obstacles

Obstacles shall meet the specifications for obstacles in the current edition of AKC Regulations for Agility Trials. **Per AKC revisions, effective February 1, 2023, FCI style broad jump will be used at this event. FCI Tire heights will be used at this event. The wall jump and FCI style broad jump used at this event will be soft construction.**

Equipment

The equipment for this event is provided by Agility Challenge Acres.

MIXED HEIGHT ENTRIES

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

ENTRY REQUIREMENTS FOR INTERNATIONAL SWEEPSTAKES CLASS (ISC)

Purpose: The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the "Challenge of the Day" when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<https://www.akc.org>).

Eligibility: ISC classes are open to dogs that are eligible to compete in AKC agility trials. There is no Preferred Option for ISC; dogs may enter at their preferred jump height, however they will be scored against the regular division dogs jumping the same jump height.

Jump Heights: **DOGS MAY BE ENTERED IN THEIR REGULAR JUMP HEIGHTS**, however, only those dogs running in the 12", 16", 20" and 24" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs) may use their clean run toward the required qualification toward entering WTT or EOTT. Please see the 2022 EO/AWC Tryout Rules for further details.

The FCI/ISC cutoffs for those heights are as follows:

- Small (12" jump height) – for dogs measuring 13 ¾" or less at the withers
- Medium (16" jump height) – for dogs measuring more than 13 ¾" and up to 16 7/8" at the withers
- Intermediate (20" jump height) – for dogs measuring more than 16 7/8 but less than 18 7/8" at the withers.
- Large (24" jump height) – for dogs measuring over 16 7/8" at the withers

ELIGIBILITY AND HEIGHT DIVISIONS

Dogs Eligible to Enter

This trial is open to all dogs 15 months of age or older that are registered with the American Kennel Club or are registerable breeds that have obtained PAL/ILP numbers from the American Kennel Club, except bitches in season, aggressive dogs, blind dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance. **Mixed breed dogs** listed in the AKC Canine Partners program are eligible to enter this all-breed AKC agility trial. Mixed breed dogs entered in these events must list the breed name as "Canine Partner" (mixed breed) and not as a breed hybrid and must include their AKC Canine Partners number on the entry form and check the AKC No. Box.

Jump Height Information

All dogs without height cards will have to be measured by the judge of record, except 24"/24C" dogs. If a VMO or an AKC Representative is available, all dogs without height cards, including 24"/24C" dogs, will need to be measured. When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dogs on the *Dogs To Be Measured List*. For complete details on the Jump Height Card Process go to [this link](#) to read more about it on the AKC website

Eligible dogs may be entered in any level of ISC (Grade 1, 2, or 3). At present, there are no eligibility requirements for any level of ISC and any dog that is eligible according to the above information may run any level. Day of show level changes are not allowed.

EO/ WORLD TEAM TRYOUT QUALIFICATIONS

Clear ISC Agility (Standard) and JWW (Jumpers With Weaves) rounds from any level can be used to fulfill the requirements for the [Team USA European Open Team Tryouts](#). Clear rounds from Levels 2 and 3 can be used to fulfill the requirements for [Team USA Agility World Championships Tryouts](#). Dogs must jump at their international height for ISC scores to count toward Tryouts Qualifications.

SITE INFORMATION AND RULES

The show site is indoors on artificial turf. Please bring your own crate, clean up supplies, & water for your dog. Dogs must be kept on leash when not in the ring, excepting when in the fenced off leash area. A warm up area is available in a special stall in the crating area that has been turfed and has a warm up jump in it.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. *Please NO SPIKE SHOES OR HEELS on the turf. Please wear/use clean, athletic footwear to preserve the flooring!*

Note that the property gate does not open until 1 hour prior to the first dog on the line. Please drive slowly (10mph speed limit) on the driveway so as to avoid people, and dogs at play. There are speed bumps to ensure speed limits are complied with. When you enter the driveway, keep right once you have passed through the gate – follow any signs or persons who are directing you to parking.

ENTERING FOR EXHIBITION ONLY (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. Because this is an ISC Only Event, FEO is available for every ISC run. Participation in FEO is non-qualifying.

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

FIX AND GO ON (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

EXHIBITOR INFORMATION

Important Information for Exhibitors

- All owners and handlers are responsible for correctly entering and participating in this trial in accordance with AKC rules. Owners are responsible for errors in entry forms, regardless of who may make such errors.
- All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. AKC does not permit pinch/prong collars, electrical or special training collars anywhere on the trial grounds.
- The safety of dogs is of primary concern. By entering the trial, exhibitors acknowledge that they are familiar with the rules and regulations of the AKC agility program, and that their dogs are familiar with and able to perform all obstacles safely.
- Confirmation of entry and a schedule of judging time will be sent to the address (email will be used when provided on the entry form) on the official AKC entry form after the closing date. If an exhibitor has not received a copy of the schedule at least seven days prior to the show, the trial secretary should be contacted. Returned checks do not constitute a valid entry. If a check is returned, the entry will be deemed invalid, and the issuer will be billed for all trial associated fees, including, but not limited to: AKC fees, judges fees and secretarial fees. **Envelopes/transactions containing entries for more than the ten (10) dog maximum shall be treated as an invalid entry.**
- Conditional, unsigned, incomplete, illegible, telephone or telegraph entries cannot be accepted. Entries not on official AKC forms or photocopies of AKC forms without the agreement form included are not acceptable.
- The Buckeye Bulldog Club, Agility Challenge Acres, Daisy Peel, George Mariakis, and Daisy Creative LLC assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers, or spectators, or to any of their dogs or property, and further assumes no responsibility for injury to any child not under the control of his or her parents or guardians.
- The Buckeye Bulldog Club may cancel this event in extreme weather conditions.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area.
- Please clean up after your dogs while on the show grounds and at the motel site. We want to retain these facilities for future events.
- Only dogs that are eligible to be shown under the AKC rules shall be allowed within the show precincts.

A maximum of 20 runs/10 exhibitor entries will be placed on the club's wait list. **All entries, including wait listed entries, must be received by the Trial Secretary prior to the closing date.** Any entry withdraw requests received by 8 am the Wednesday, ONE WEEK BEFORE the trial weekend will be replaced by a wait listed entry if any are available. INSTRUCTIONS

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
