CRATING:

- Crating is available inside the building in 10'x10' stalls (dirt flooring). Dogs must be kenneled or crated while in the stalls. ***Volunteers will be given first priority for stall crating*** and stalls must be shared amongst competitors (plenty of room in each stall for multiple crates!!).

NQ / VOLUNTEER RAFFLE:

- We will be providing tickets for an NQ as well as a volunteer raffle! Please, please, please help wherever you can to help us have a smooth event! We appreciate every bit of help we can get.

UNDERSTAND THE RULES FOR FEO/NFC:

- You may turn any run into a FEO/NFC run, but you must declare this ***before you start***. You may use a toy but it cannot leave your hand. You may use this time for any type of training, as long as you are not abusive to your dog. A competition run that has been faulted may **NOT** be turned into an NFC run. **FEO runs will be allowed 45 seconds (per AKC Regulations Chapter 1 section 21)**. If a handler chooses to train their start line, the time will be started once the handler begins to walk back towards their dog once they have left him. Scribe will announce when time is up and the handler **MUST** immediately exit the ring.

RESULTS / MAPS / RUN ORDERS:

- **RESULTS** will be posted in a binder on the results table. We suggest taking a photo of the results to allow everybody to see results in a timely manner. - **RUN ORDERS** Please see the preliminary run order that will be posted on Monday the week of the show on the Agility Challenge Acres website [HERE](#) under Event Documents. Any conflicts will have a 5 minute maximum transition time between dogs. We can adjust run order via written corrections for conflicts in all other runs. Please be conscientious when requesting to move dogs as it is likely that somebody ELSE is relying on you and your dog to space out THEIR runs 😊
